

## Subject: Ordering your student's 2021 textbooks with Box of Books

Dear Parents and Caregivers,

We are pleased to announce our continued engagement with Box of Books for the provision of digital and physical education resources for the 2021 school year.

Please see the video below on how Box of Books works and how we will continue to work together to support your student's ongoing educational needs.

### [Box of Books - Service Overview](#)

Some families may already have the school prescribed texts in hard copy, either through siblings who have completed the subject in an earlier year, or through the purchase of the text separately to Box of Books. Where this is the case you will still need to have your student provisioned for the digital version of the text on Box of Books and this can be purchased for a discounted cost.

Please note if your student does not have the digital version through Box of Books then they will not have access to all the additional resources and enhancements made to the texts by the class teachers.

Box of Books looks forward to supporting your students' learning through their world leading digital platform and 100% COVID safe delivery service for texts and physical resources for school families.

Steps to order:

1. Visit <https://shop.boxofbooks.com.au> to create your parent/guardian account
2. Add each student, nominating their school and year group
3. Select the items you wish to purchase from the booklist shown
4. Use the checkout to organise postage direct to your nominated address and payment

For further assistance, please see this short informative guide on [How to Purchase Books](#) or contact the Box of Books team through the in-app support function.

The image shows two screenshots from the Box of Books app. The left screenshot is the sign-in screen, titled "Let's sign in to your account!". It prompts the user to enter their mobile number for SMS authentication. A dropdown menu shows "Mobile" with a flag icon. A "SEND CODE" button is visible. The right screenshot is the welcome screen, titled "Welcome to the Box of Books shop!". It lists three steps for purchasing booklists: 1. Create an account, 2. Add students, and 3. Select items and checkout. It also includes a link for in-app support and payment logos for VISA, Mastercard, Stripe, and a "SECURE CHECKOUT" badge. The background of the right screenshot features a blue sky with clouds, a hot air balloon, and a stack of books icon.
