

Uniform Guidelines

It is important that all students feel comfortable in the School uniform and wear it with pride. The following guidelines will ensure that each of our students is wearing the correct and appropriate uniform for all School associated events.

1. Each student is required to own a School blazer at all times (the exception is for students in Kindergarten—Year 1). When travelling to and from School, wearing the uniform in public or at the Principal's Assembly, it is required that students wear their blazer over their shirt or jumper.
2. During Terms 1 and 4, students must always arrive and depart Fahan School wearing their boater hat. This is the requirement whether students are travelling by bus, walking or being dropped off in the School car park. This is also a requirement if girls are in any public area and are wearing their School uniform.
3. During Terms 1 and 4, students in Years 11–12 only may opt to wear either the white short-sleeve shirt with the navy orange/stone stripe skirt or summer dress.
4. The wearing of sport or ankle socks with the formal uniform is not permitted at any time. Students must wear white, push-down socks, specific to Fahan School, available for purchase in the Uniform Shop.
5. The jumper is not to be worn to or from School, or outside of the School grounds without a blazer.
6. When wearing the winter uniform (Terms 2 and 3), students must arrive and depart Fahan School wearing their blazer. The jumper may be worn underneath. This is also the requirement when students are off campus after school.
7. It is compulsory for students in the Senior School (Years 7–12) to wear navy stockings with their winter uniform. Students in Years 1–6 may opt to wear either navy stockings or navy, knee-length socks.
8. In the Junior School, the PE uniform may only be worn to School on the days that students have specialist PE lessons. In winter, students must arrive and leave from School with long sleeves and track pants. In summer, short sleeves and shorts must be worn (not bike pants).
9. The guidelines for the wearing of the sports uniform for Senior School students are as follows:
 - a) If a student has PE in Periods 1 or 2, she may come to School in sports uniform but must change into formal uniform at recess time.
 - b) If a student has a PE lesson in Periods 6 or 7, she may depart School in sports uniform (see item 'f' below).
 - c) If a student has PE on any day AND a sports training at lunchtime or after school she may wear sports uniform to School (see item 'f' below).
 - d) Formal uniform must be worn to Principal's Assembly irrespective of how many sporting commitments a student has on that day.
 - e) Sports uniform worn to and from School must be neat.
 - f) If sport uniform is being worn off campus, tracksuit bottom **MUST** be worn with the polo shirt and/or soft shell jacket or rugby top.
 - g) Only Fahan School bags or Fahan School sports bags are to be taken to Fahan sporting events.
10. Both the summer dress and the winter skirt must be worn at a length that meets the knee.
11. School shoes must be brown, lace-up shoes. Students in Years 1 and 2 may wear brown, buckle-up shoes and Kindergarten and Prep students should wear sport shoes.
12. Bike pants must only be worn during sporting activities or under shorts and summer dresses. Bike pants should not be visible at other times.

Uniform Guidelines

13. No jewellery, except for a watch and one small ear-stud (not any other form of earring) in each earlobe can be worn with the School uniform.
14. Makeup and nail polish are not permitted to be worn at School or when wearing the Fahan School uniform at any time including when students are outside of the School grounds.
15. Hair should be of natural colour and must be tied back if hair is shoulder length or longer, whenever a student is wearing the School uniform. Students may wear ribbons of School colours only in their hair.
