## Location

Fahan School is set amongst spectacular grounds on a sprawling 6.2 hectare campus in the attractive Hobart suburb of Sandy Bay - just a ten minute drive from Hobart's CBD.

Situated on the banks of the River Derwent and hidden from the view of the main road, the School's blend of historic and award-winning modern buildings, coupled with the outstanding gardens and grounds, create an inspiring, nurturing and secure environment where your daughter can study and make friends.

At Fahan, we take advantage of our proximity to the water offering water-based sports including sailing, rowing and surfing. Our environment inspires creativity and showcases spectacular views of our stunning tree enclosed grounds and the River Derwent.

The single campus advantage means that our youngest through to our oldest students learn together in one caring community, as they progress through the Early Learning Centre, Junior and Senior Schools.
